BORDEAUX & COGNAC For wine & food lovers

Gironde is made for wine: its temperate climate, its varied soils protected from the winds by the immense forest, its judiciously blended grape varieties... and its winegrowers, heirs to continually improving techniques and skills. All these factors are what make the Bordeaux wine region so special.

In the Cognac region the vineyards dominate the landscapes, follow the curves of the valleys and reach as far as the farmhouses. The ageing cellars announce the colour: black. Due to the evaporation of alcohol, it covers the walls and tiles and proves that the angels have taken their share!

Come and discover the vineyards and wines of Bordeaux, taste fine Cognacs and visit these regions rich in heritage and culinary delights.
